ORDER INFORMATION—If including a prescription order, please complete this section.

Please allow 10 business days from the time that you place your order to receive your prescription(s). A refill order form and return envelope will be included with your shipment.

It is our practice to substitute generic equivalents for brand-name medications. AllianceRx Walgreens Prime will dispense a generic equivalent if it's available and permitted by your prescriber. If you do not want a generic equivalent or have questions regarding your mail service prescription(s), please call the Customer Care Center at 1-800-345-1985, TTY 1-800-573-1833.

Generic equivalents are usually less expensive than brand name drugs. If we dispense a brand name drug, you may be responsible for a higher copayment and/or the difference between the brand and generic price of each drug. If allowed by your prescriber, we will dispense a generic equivalent unless you check this box. I do not accept a generic equivalent.

By submitting this form, you have authorized release of all information to AllianceRx Walgreens Prime (and other necessary parties) as required to process your order under your benefit plan.
